**List of Key Participants**

Indiana’s 2004 Consolidated Plan Update was a collaborative project. The Indiana Department of Commerce and the Indiana Housing Finance Authority were responsible for overseeing the coordination and development of the plan. The Indiana Family and Social Services Administration (FSSA) assisted in development of the Plan.

The Consolidated Plan Coordinating Committee included representatives from the organizations listed above as well as individuals from the Indiana Coalition on Housing and Homeless Issues (ICHHI), the Indiana Association for Community Economic Development (IACED), the Indiana Civil Rights Commission (ICRC), Rural Opportunities Inc. (ROI), The Indiana Institute on Disability and Community, and the U.S. Department of Housing and Urban Development (HUD). A list of the key people involved in the development of the plan follows.

Rosemary Carney	Paul Neumann
Lori Dimick	Deanna Oware
John Dorgan	Niles Parker
Greg Ellis	Annette Phillips
Gary Hancock	Erika Scott

In addition to these key players in development of the Plan, more than 500 people participated in the planning process by responding to a community survey, attending regional public forums, or submitting written comments to the Consolidated Plan Coordinating Committee. A list of participants in the regional forums is attached; public comments are located in Appendix E. Their input was very welcome and their thoughts much appreciated.
